Career Objective

Reliable, motivated, and hardworking individual with strong communication, teamwork, and problem-solving skills. I hold unlimited work rights in Australia and am seeking full-time work. Experienced in fast-paced environments, handling responsibilities efficiently, and adapting quickly to new tasks. Ready to contribute a positive attitude, reliability, and dedication to a professional role.

Experience

September 2024 – June 2025

Junior Software Engineer | IDEA8 (Sri Lanka)

- Worked collaboratively in a fast-paced team environment.
- Developed problem-solving and communication skills while meeting deadlines.

Freelance UI/UX Designer | Remote

- Designed user-focused websites and mobile apps under tight deadlines.
- Improved organisation, creativity, and attention to detail.

Oct 2023 – May 2024

Graphic Designer | AusLanka Technologies | Remote (Australia)

- Created digital marketing materials and app interfaces.
- Worked effectively in team projects and managed multiple tasks.

Skills

- Excellent customer service and communication
- Strong teamwork and collaboration
- Adaptable and reliable, with a positive attitude
- Organised, detail-oriented, and able to work under pressure
- Physically fit and able to perform manual duties
- Fast learner and able to quickly pick up new tasks
- Time management and multitasking in fast-paced environments
- Problem-solving and taking initiative
- Positive attitude and professional workplace behavior
- Experience with Figma, Canva, and digital design tools

Education

Bachelor Of Science (Honours) in Software Engineering

National School of Business Management

(Sri Lanka) | 2020 - 2024

GPA - 3.27
